Have you heard about Enhanced English 101?
If you passed English 100 or placed in English 28 you are eligible to enroll into Enhanced English 101.

What's the difference between English 100 and Enhanced 101?
Enhanced English 101 is a college-level English course that transfers to the UC and CSU school system. Because this course is enhanced, you will also have access to an instructed lab (taught by your same instructor) that will support you in mastering the skills necessary to successfully complete the coursework for your class.
