Mission Statement
The goal of LATTC DSPS is to provide accessibility and accommodations to all Los Angeles Trade-Tech College disabled students. Our mission is for students to have equal opportunities for academic success in a society of diverse communities. DSPS encourage students to express their concerns and advocate for disability related issues. DSPS facilitates campus wide participation in all activities and events to accommodate the needs of disabled individuals.

Campus/Community Assistance
Liaison with:

- Campus administration, departments and college instruction staff.
- The State Department of Rehabilitation.
- Community organizations providing services for the disabled.

Meet the Counselors
Advisement by Counselors ensures individualized service for registration, educational planning, and other pertinent areas such as disability management and personal counseling.
