

Helpful Financial Aid information

How to apply for Financial Aid:

Step 1 -

Complete the FAFSA Application

*Citizen/Permanent Resident (<https://fafsa.ed.gov>) or Dream Act Application *Dreamer/AB540 (<https://dream.csac.ca.gov/>)

Step 2 -

Log into your student portal a week after completing the FAFSA application at Mycollege.laccd.edu to check on your financial aid status.

- Additional documents needed will be listed on your “To-do-list”
 - Verification deadline - The 120th calendar day following the student's last date of attendance for the Award Year selected for verification; or. The deadline date published annually in the Federal Register, which for the 2017-18 Award Year is **September 15, 2018**, and for the 2018-19 Award Year is **September 15, 2019**.
 - Check your LACCD email for our email notifications regarding:
 - Additional document(s) required
 - Award status
 - Satisfactory Academic Progress Status
 - If you meet the BOG fee waiver eligibility, the BOG will be awarded as soon as we process your FAFSA information. You can check your fee waiver information under the “Finance” tab in the student portal.
-

Step 3 -

You must have a financial aid eligible Major and Educational Goal to be eligible for financial aid. This information must match and your Home school must be LATTTC. You will receive a “To-do-List” item if you don’t have an eligible Program, Educational Goal, or Home school with LATTTC. Meeting with an academic counselor will help you complete this “to-do-list” item(s).

Step 4 -

Permission Authorization for Financial Aid

Financial Aid disbursement will be on hold if you have an outstanding balance. Granting financial aid Permission Authorization will allow your fees to be deducted from your financial aid disbursement. This will allow your disbursement to be released. To grant financial aid permission authorization:

- Login on your student portal at mycollege.laccd.edu
 - Go to “Finance” tab from the main menu
 - Go to “Account Services”
-

Information:

- **Disbursement -**
 - It will take approximately 2 days for the disbursement funds to be deposited to a BankMobile Vibe account from the Disbursement date shown in the SIS system. (For students who opted to open the BankMobile Vibe account only)
 - It will take approximately 3-5 days for the disbursement funds to be deposited to an ACH account from the Disbursement date shown in the SIS system. (For students who opted to have their disbursement wired to their personal bank account)
 - Late disbursements - Generally a student ceases to be eligible for aid once he has finished the term and is no longer enrolled. However, he may submit verification documentation and receive a late disbursement after that time if the Department processed a SAR or ISIR with an official EFC while he was still enrolled.
