Good Interactions.	2
Great way to keep faculty/staff updated and also provide feedback on which buildings need to be updated.	1
Great evaluation and true dynamic our campus face in terms of space -next bond will be great for us!	1
Good Data regarding whose LATTC is requesting the need for new buildings.	1
Attendees were provided with many opportunities to have their voices heard.	1
Better understanding of bonds, property, needs of college and how it prioritizes our college needs of future bond needs.	1
Suggestion for student support t solar panel with charging stations as well as shading.	1
Building inspection was needed before the meeting.	1
I am glad we had the opportunity to discuss future bond projects.	1
This is a very important topic and I am glad that we are having these conversations early.	1
It helps me understand the changes that will occur at Trade.	1
This is probably the best DoD I have attended. My biggest concern is the management of funds and accountability of the construction company(ies). If those issues can be addressed and built into the contract (in terms of what consequences the companies would face is they do not do fulfill the work on time/in full), I would support this bond.	1
Most time needed as always.	1
Please post briefly what we discussed on the campus website.	1
Can the information be shared by sending an email to campus all?	1
