FACULTY HIRING PROCEDURES

The Board of Trustees adopted significant revisions to Chapter X, Article III, Selection Policies, Section 10304, Agreed to Policies and Procedures for the Hiring of Full-Time Faculty Members, at its February 14, 2001 meeting. The following local hiring procedures have been agreed to by the Academic Senate and the College President of Los Angeles Trade-Tech College and are in keeping with the new Board Rules. The College President and the Academic Senate hold joint responsibility for assuring that the District and local hiring policies and procedures are observed. Both parties retain the right to review and, if necessary, revise these procedures. These procedures become effective May, 2008.

A. REQUESTING A NEW OR EXPANSION FACULTY POSITION

1. Departments, the College Academic Senate, and the College President or designee may submit proposals for faculty positions.
2. All request for full-time and replacement faculty positions will be submitted to the Academic Senate Hiring Prioritization Committee chair at the first meeting of the committee in October.
3. The Academic Senate Hiring Prioritization Committee shall make a recommendation on the proposals for faculty positions to the College Council by the first week of November. The Academic Senate Hiring Prioritization Committee will forward the recommendation to the College President for final approval.

B. REPLACEMENT OF FACULTY POSITIONS

Should the College President determine not to replace the employee, the reasons for the decision shall be communicated in writing to the Academic Senate President. The position shall be replaced with a tenure-track position within one year, unless program review indicates that the department for which the replacement faculty member is to be hired is no longer viable.
C. FULL-TIME FACULTY HIRING FOR CATEGORICAL PROGRAMS
   All of the provisions in this document for full-time faculty selection
   shall be required for these positions. The only exception is that
   these positions are not required to be recommended by the Senate
   Hiring Prioritization Committee.

D. BEGINNING THE SEARCH PROCESS AND COMMITTEE
   COMPOSITION

1. If the College President accepts the Academic Senate Hiring
   Prioritization Committee recommendation, the President or his/her
   designee shall forward intent to fill form for each position to the
   appropriate district official.

2. The Faculty and Administration will meet at the outset of the search
   process to clarify roles, objectives and expectations. This may be
   accomplished via hiring Workshop training sessions, which includes
   a comprehensive review of the process, goals and objectives. The

   eligible for faculty flex credit.

   appropriate Vice President and the members of each committee will
   participate in the hiring Workshop training session, generally held in
   the late fall and early spring of each academic year.

   search committee shall select as follows: two tenured faculty from

5.
