Programs of Distinction

Local, State, and Nationally Recognized Programs

Trade-Tech programs have received regional, state, and national recognition. The Community and Economic Development programs have recently been recognized by California Tomorrow and the U.S. Department of Housing and Urban Development (HUD) as exemplary in "addressing some of the State's economic and community development challenges".

Trade-Tech has career-technical programs that are unique not only in the region, the state, but in the entire country. Trade-Tech is the only community college in the nation that offers certificate and AA degrees dedicated to the emerging field of community development. Trade-Tech is the only community college west of the Mississippi to offer a certificate and AA degree in Mortgage Finance. Trade-Tech is the only community college in the city of LA to offer Electrical, Plumbing, Carpentry, HVAC, and Water Technology certificate and degree programs.
