The Intergovernmental General Education Transfer Curriculum (IGETC) is a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus. The IGETC provides an option to the California State University General Education Requirements. Students in high unit majors are encouraged to follow a particular UC campus' breadth requirements instead of the IGETC. See a counselor for additional information. **IMPORTANT:** The IGETC must be certified prior to transfer. If not certified, a student will be required to complete the four-year university's own general education/breadth requirements and additional lower-division coursework may be required. All courses must be completed with "C" grade or higher. (See your counselor for certification)
