Vision and Mission of LATTC

College Vision Through 2015

Los Angeles Trade-Technical College (LATTC) will be a global leader known for effectively incorporating leading-edge theories, proven educational practices, hands-on experiences and technology into its career technical and professional programs. LATTC graduates will be in high demand. Many will become community and business leaders and innovators.

Our Mission Is To

Provide our students and community with high-quality technical and professional educational options that flexibly meet their lifelong career development and academic goals; foster a climate of lifelong learning; prepare our students to participate effectively in our democratic society; and generate economic development with our educational, governmental, community, and business partners.

Our Values Are

Learning

We are committed to help all students define and attain their learning objectives whether career technical, professional, transfer, or basic skills. We are dedicated to student success and judge our success by their learning outcomes. Our faculty, administration and staff commit to and attain annual learning objectives.

Excellence

We set and meet the highest standards. We anticipate change. We regularly evaluate our programs, systems, facilities, equipment and teaching methods to incorporate improvements. We recruit the best faculty and staff and commit appropriate resources and time to their continuous development.
