Title 5 of the Administrative Code allows Los Angeles Trade-Technical College to specify a pattern of General Education courses which are acceptable to meet the General Education requirements at any of the California State Universities and Colleges. UNITS IN AREA A AND B3 MUST BE COMPLETED WITH A "C" OR BETTER AND ARE REQUIRED FOR ADMISSION. Students must maintain an overall grade point average of "C" or better in all courses. Certification of these units is not automatic and must be requested. Students must see a counselor to have records evaluated for certification. Each area, through B6, may be certified individually when completed. Course may be used in only one area.

A student who does not meet certification requirement will be evaluated by the State University and may be required to complete additional General Education courses.

Lower Division Major Requirements: In addition to the General Education pattern, students transferring to the CSU may complete Lower Division Major Requirements at LATTC. Visit the University Transfer Center, H-130 or consult with a counselor for a list of these courses.

(Students must complete a minimum of 60 semester units of transferable credit unless they were eligible to be admitted as freshmen.)
