## COLLEGE TO CAREER. IT'S ALL HERE.

**MONDAY, JUNE 4, 2018**

We have made it to the end of the 2017-2018 school year. I hope you did extremely well in your classes and are anxious to move forward in your educational journey.

### COMMENCEMENT

Tomorrow we will celebrate the 93rd graduation in this college's history. If you have earned your degree, your certificate, or transfer acceptance, please accept my congratulations. Many of you will be joining us tomorrow, **Tuesday June 5th**, at our commencement ceremony on the North Lawn at 6pm. All students walking in the ceremony need to be in the North Tent no later than 5pm with a cap and gown, so we can line up with appropriate cards. Please note that most college services will be close at noon tomorrow to prepare for graduation; however the Bookstore will be open regular hours.

For those of you that are graduating, please snap a photo or two using the LATTC SnapChat geofilters available while you're on campus for graduation. Also, make sure you tag your commencement photos with **#LATTC2018Grad**. Last, we would love to hear the stories about your LATTC experience and what it took to get to graduation day. Click [here](#) to share your story with us. You inspire us and we know you will inspire those students who come after you.

We hope many of you join us tomorrow.

## THANK YOU

Thank you for making this a truly incredible school year, and I hope to see many of you at commencement. And, for those not graduating and moving on to your career or transferring to a university, we look forward to seeing you in classes this summer and in the fall. Let us know how we can assist you to find your personal brand of student success.
