SUMMER SESSION 2018

Welcome to the first day of our Summer session 2018. We hope you are settling into your summer classes today. If you have any questions, please respond to this email or just stop by the Bridges to Success Center in Mariposa Hall Room 105 and ask us. We want to make the Trade Tech experience a great one.

If you are interested in maybe picking up a second class this summer or you want to start securing your classes for Fall, make sure you take a look at the schedule links below and enroll as soon as possible.

▶ [LINK TO FALL 2018 SCHEDULE](#)

GRAD GURU

In addition to the in-person support you can receive in Bridges, you can also find [important academic deadlines online](#). You can also keep up to date on key deadlines on your mobile phone by downloading the FREE Grad Guru App today! (Available for [Apple](#) and [Android](#)). You can add dates/deadlines directly to your personal calendar, get helpful tips and guidance – all geared towards helping you stay on track!

FINANCIAL AID

Due to unforeseen technical issues, the college and district are experiencing a minor delay in the posting of Federal Pell Grants for the summer term. Rest assured the college and district continue to work diligently towards awarding these grants. Please continue to check the [Student Portal](#) regularly for updates regarding summer financial aid eligibility.

FREE PARKING – 1ST TWO WEEKS

There will be no citations during the first two weeks of the summer session; however you will need a parking permit by Monday, June 25th.

FOOD BANK

Tomorrow and every Tuesday, we have partnered with the St. Francis Center in presenting a food pantry program. Any student who brings their ID can receive fresh produce, food items and drinks for free. It starts every Tuesday at 10:30am in the K-Mall, and ends at noon.

CONSTRUCTION

One thing that will be changing on campus is our construction areas. You should know that fencing will be going up around the South campus. Eventually we will be losing the North tent as well. But the reason we are losing these areas is to build our beautiful state-of-the-art Culinary Arts and public space building just south of Magnolia Hall. Please excuse the dust and any inconvenience.

2018 LATTC COMMENCEMENT

For those of you who didn't get a chance to attend our wonderful graduation last week, we have some photos on social media as well as at the link below. Make sure you friend us on Facebook and follow us on Twitter and Instagram.

We also value your input and are always looking to improve this experience for you, our students. Please take a moment to complete the short survey at the link below. The survey will close at 12pm on Tuesday, June 12th. Thank you again!
