

Weekly Message from President Larry Frank

COLLEGE TO CAREER. IT'S ALL HERE.

MONDAY, JUNE 18, 2018

For those of you in summer classes, we hope that the first week of class went well and that you are on track in your educational journey.

GRAD GURU

In addition to the in-person support you can receive in Bridges, you can also find [important academic deadlines online](#). You can also keep up to date on key deadlines on your mobile phone by downloading the FREE Grad Guru App today! (Available for [Apple](#) and [Android](#)). You can add dates/deadlines directly to your personal calendar, get helpful tips and guidance – all geared towards helping you stay on track!

FINANCIAL AID

Due to unforeseen technical issues, the college and district are experiencing a minor delay in the posting of Federal Pell Grants for the summer term. Rest assured the college and district continue to work diligently towards awarding these grants. Please continue to check the [Student Portal](#) regularly for updates regarding summer financial aid eligibility.

FREE PARKING – 1ST TWO WEEKS

There will be no citations during the first two weeks of the summer session; however you will need a parking permit by **Monday, June 25th**.

NOW IS THE TIME TO ACCESS LATTC SERVICES

Remember that we can always handle your questions at our Bridges to Success center in Mariposa Hall, Room 105. From there we can direct you to our counselors who are dedicated to our nine Pathways, or generally available on the second floor of Juniper Hall. This is also the best time to connect up to our college resources throughout the campus, be it financial aid, tutoring, enrolling in job services at our WorkSource Center to score a summer job, getting a U-Pass, our Dream Resource Center, Veterans support, or our many other services on campus.

FOOD BANK

Once again, we remind you that our food pantry partnership with the St. Francis Center continues every Tuesday morning here in the K-Mall on campus. Any student that brings their student ID to the pantry program, can receive free food items, fresh produce and drink items thanks to our partnership. If you would like to take advantage, come by tomorrow between 10:30am and noon. Again it takes place in the K-Mall outside the cafeteria.

CAFETERIA OPEN MONDAY TO THURSDAY

Speaking of the cafeteria, it is now open for breakfast between 7:30am and 10:00am.

WOMEN IN THE TRADES CONFERENCE CAN PROVIDE THE MENTORS YOU NEED

This **Friday and Saturday** the Women in the Trades Conference will take place on campus. This is organized by the LA/OC Building and Construction Trades Council and will offer workshops and information about how women enter and succeed in union jobs within a variety of the trades. The key workshops will take place on Saturday with the big sessions will be in the South Tent. The event is free and we encourage any women interested in union careers in the trades (e.g., electrical, pipe, carpentry, ironworkers, etc.) to attend. However, you must register at the link below.

FALL ENROLLMENT IS OPEN

Now is the time to secure your classes for the Fall semester. Classes will be filling up so make sure you study the Fall schedule and pick your classes as soon as possible.

► [LINK TO FALL 2018 SCHEDULE](#)

We encourage you to lay out your plans for the Fall and register for your classes now. Counselors are available to help. Let us support you as you move forward in your educational career.
