## JOB OPPORTUNITIES

Today begins recruitment for the 3rd **HireLAX Apprenticeship Readiness Program (ARP)** class. The HireLAX ARP has been a huge success so far, and we request your assistance in informing community members interested in construction careers within your networks to ensure we maximize the impact of our local recruiting effort. There is a special focus on individuals living around the airport and areas east under the LAX flight path. Although the training takes place at LA Southwest College, LATTTC faculty members have

been responsible for conducting the training, and the individuals being trained are our students. Please forward the attached flyer to your community networks and help us get the word out via social media.

And, **Amazon** is looking to hire part-time workers for their distribution centers near LAX. If you need a part-time job while finishing your program here at Trade Tech, Amazon is having orientation sessions right here on campus this Wednesday in Aspen Hall, Room 101 at 11am, noon and 1pm.

## FOOD PANTRY EVERY TUESDAY MORNING

...and don't forget that our food pantry partnership with the St. Francis Center takes place every Tuesday in the K-Mall from 10:30am to noon. Just bring your student ID and pick up some free food items and drinks.

We hope you are doing great in your summer classes and have enrolled in the Fall semester. Now is the time.
