PERSONAL SUPPORT AND ASSISTANCE

NEED SOMEONE TO TALK TO?

Feeling sad, nervous or anxious?

Having relationship or family problems?

Overwhelmed with school or life in general?

Need resources from the community (housing, food, mental health services, etc.)

We are here for you!

LATTC has several USC Interns working as Personal Support and Assistance Providers (PSAPs) at the college who can provide some FREE individual short-term personal support to help you get through the semester feeling well and doing well!
