Now while there will be no classes, the college will remain open for services **except for Monday April 1** which is the Cesar Chavez holiday. So if you want to visit the Bridges to Success office to enroll, or you have a need for student services, we will be open except for Monday, April 1.

Food Bank: Every Tuesday, 10:30 a.m.– 12:30 p.m.

We want to remind you on Tuesdays we have resumed our Food Pantry partnership with the St. Francis Center. Every Tuesday from 10:30 a.m. to 12:30 p.m. we are offering free fresh produce, food items, and drinks to any student who brings his or her student ID card. In addition, there will be a representative from WIC, if you have any questions. We hope as many of you as possible take advantage of this program. Remember to bring a bag.

AB 705: New Pathway For English and Math

The major coming changes in our math and English class sequences is based on Assembly Bill (AB) 705. The changes may be confusing to some of you, so here are several videos to explain the innovation. Take a little time, to view the videos and learn more about the state-wide and LATTC efforts to move you toward completion. [Video: AB 705 Initiative](#)

In addition, English department faculty member George Blake has put together several videos meant to help students access the department instructors and other services. Take a look at them.

Lars Burkhardt Memorial

I'm sure many of you remember him on campus. Sadly, LATTC sheriff's office Lars Burkhardt recently passed away after a lengthy battle with an aggressive cancer. We will celebrate his life at a gathering on campus on Thursday, April 4 in TE101. It will begin at 9:00 a.m.

Please enjoy the upcoming time off, so get that homework done early. I hope you get to spend time with the ones you love and find some relaxation. Remember our offices will be open if you have any questions or need some support.
