**Spring 2012 Final Exam Schedule**

**Very Important** – Final examinations are required of all classes and are required to be given within the designated final exam period; a two-hour period is scheduled for each examination.

The date of your final examination is determined by the first day and the first hour your class meets.

Final examinations must be held on the day and time scheduled and in your regularly assigned classroom.

**Short-term Classes** – Classes that are scheduled less than 15 weeks will have their final exam at the normal class time on the last day of instruction.

**Weekend Classes** – Classes that are scheduled on Friday only or Saturday only will have their final exam at the normal class time on Friday, June 1 or Saturday, June 2.

**Evening Classes** – Classes that meet at 3:30 p.m. or later will have their final exam within the parameters of the final exam scheduled list below.

For class times not listed or in case of conflicts or make-up exams – please see instructor. Instructors will need to consult with their Department Chair and Area Dean to determine final exam times for classes with start times that do not coincide with the standard time blocks listed below.
